Character Counts... as voters in District 61, you deserve a clean and honorable campaign based on issues. I pledged and am running a clean campaign on how to move District 61 forward. I have encouraged my opponent to adopt this pledge and he declines. **The Harper Plan of Work** focuses on jobs, education, seniors, highway projects, our armed forces/veterans and public safety. On November 2nd, let's...

*Harper pushes to save
Bryce jobs!*

Saving Jobs...

"By providing unwavering support and vital leadership, Representative Harper was instrumental in keeping Bryce Hospital in Tuscaloosa County. Working with him against Montgomery's powerful special interests, I saw him effectively fight for our mental health community and the 650 employees at Bryce Hospital. Representative Harper is an effective leader who always puts his constituents first."

Walt Maddox, Mayor – City of Tuscaloosa
